

Evo-stik general purpose spray adhesive

Date: 04 February 2020

YOUR SMART ADVANTAGES

Rapid Drying
Pressure sensitive spray adhesive
For bonding foam, cork and lightweight materials

EVO-STIK GENERAL PURPOSE AEROSOL is a solvented pressure sensitive spray adhesive, in an economical and controllable method of application. It exhibits rapid drying with excellent initial grab and adhesion properties. The aerosols have variable setting nozzles and use an ozone friendly propellant.

PRODUCT CHARACTERISTICS

Colour	Amber
Form	Aerosol
Specific Gravity	1.5 approx.
Composition	Blend of synthetic rubber & resins
Product Code	30811853 500ml x12
Storage/Shelf Life	Store for up to 12 months from date of manufacture in original, unopened packaging under cool, dry, conditions within the temperature range of +5°C to +30°C and out of direct sunlight. Protect from frost.

TYPICAL PERFORMANCE DATA (Approx.)

Application Temperature	+5°C to +30°C
Coverage	10 -12 metres depending on nozzle setting
Drying Times	1-3 mins depending on conditions

Solvent for Cleaning	White Spirit
Up	

DIRECTIONS FOR USE

IMPORTANT: Before using Bostik Evostik GP Spray refer to the relevant Health & Safety Data Sheet, available at Bostik.ie

PREPARATION

1. Surfaces must be sound, clean and free from contaminants such as dust, oil, grease and any loose material.

2. Only use in a well ventilated area

APPLICATION

3. Shake can before use.
4. Spray adhesive 150mm away from the substrate.
5. On porous surfaces use two coats allow dry time between coats.

CLEANING

6. Clean excess off with white spirit.

PRECAUTIONS IN USE

For any application not covered please contact Technical Services on +353 1 8624900 or visit www.evo-stik.ie for advice.

Recommendations and suggestions are for guidance only, since conditions of use are completely beyond our control.

For health and safety instruction, first aid measures and spillage and disposal instructions, see separate Health and Safety Data sheet for Evo-Stik GP Aerosol, available at www.evo-stik.ie

This disclaimer is issued by Bostik Limited ("the Company") and applies to the use of any products supplied by the Company ("the Products") displayed on this Technical Data Sheet ("TDS"). Please read this disclaimer carefully before using any of the Products. Using this TDS and/or the Product constitutes your acceptance of this disclaimer. Its contents shall prevail over any directions of use and any disclaimer and/or exclusion or limitation of liability of the Company which may appear on the packaging of the Products.

This disclaimer sets out the entire financial liability of the Company (including any liability for the acts or omissions of its employees, agents and sub-contractors) to any user of the Products ("Product User") in respect of any use made or resale by the Product User, of any of the Products in this TDS.

This disclaimer does not affect the Company's liability for death or personal injury arising from the Company's negligence in respect of the Products, nor its liability for fraud, or fraudulent misrepresentation, nor any other liability which cannot be excluded or limited under applicable law.

The Company's total liability however arising and whether caused by tort (including negligence and breach of statutory duty), breach of contract or otherwise, arising in connection with the use made or resale by the Product User of any of the Products in this TDS shall be limited to the price paid for the Product by the Product User.

The Company shall not be liable to the Product User for any pure economic loss, loss of profit, loss of business, depletion of goodwill or otherwise, in each case whether direct, indirect or consequential, or any claims (including in respect of personal injury insofar as not caused by the Company's negligence) for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the use made or resale by the Product User of any of the Products in this TDS.

The Company shall not be liable to the Product User in relation to any loss for any use which is inappropriate or use which is otherwise than in accordance with the relevant instructions for use of the Products in this TDS or on the Product. Product Users are advised to confirm the suitability of the Products by their own tests.

This TDS covers just one of a large range of products supplied by the Company.

Full information on these products and advice on application is freely available from our fully trained staff throughout the country. In addition, specialist technical advice is available from our Technical Services Department. This TDS supersedes all previous TDSs relating to the Products, and users of it must ensure that it is the current issue. Destroy all previous TDS, and if in any doubt, contact the Company, quoting the code number in the top right hand corner on the front of this document.
