Storage Conditions	Store in cool dry conditions between 5°C and 25°C. Safe in normal use however as a precaution keep polythene outer packaging away from children.
Thickness	Total ca. 240µm Release paper ca. 110µm

TECHNICAL INFORMATION

Tensile Strength	≥5.0 kg/in
Adhesion in Peel	Open ≥1.8 kg/in Closed ≥2.0 kg/in

APPLICATION INSTRUCTIONS

SUBSTRATE PREPARATION

Ensure surfaces to which tape is to be applied are clean and dry.

APPLICATION METHOD / TOOLS

Ensure surfaces to which tape is to be applied are clean and dry. Remove outer packaging from roll of tape. Peel required amount of tape from roll pressing firmly into place while unrolling. Peel off top protective film to expose adhesive and press carpet firmly into place. Cut or trim with a knife as required.

LIMITATIONS

- Do not use on surfaces that bleed oils or plasticiser.
- It is the users responsibility to determine suitability for use. If in doubt contact technical services for advice.

VALUE BASE

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

LOCAL RESTRICTIONS

Note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Consult the local Product Data Sheet for the exact product data and uses.

ECOLOGY, HEALTH AND SAFETY

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
