

PRODUCT DATA SHEET

EVERBUILD® Overlap & Border Adhesive

HIGH STRENGTH READY MIXED BORDER ADHESIVE

PRODUCT DESCRIPTION

EVERBUILD® Overlap & Border Adhesive is a high strength, ready mixed paste suitable for all types of borders (inc. vinyl). May be used for adhering overlaps and repairs to damaged paper sections. Will stick all common papers as well as to gloss and emulsion paint. High tack, excellent adjustability. Contains a powerful fungicide.

USES

For adhering overlaps and carrying out repairs to damaged paper sections.

CHARACTERISTICS / ADVANTAGES

- High initial tack for quick bonding.
- Allows time for repositioning.
- Contains a powerful fungicide to prevent mould growth whilst the paste fully cures.

PRODUCT INFORMATION

Packaging	250g & 500g tubs
Colour	White
Shelf Life	24 months from date of manufacture.
Storage Conditions	Store in cool dry conditions away from direct sunlight between 5 and 20°C. PROTECT FROM FROST.
Density	ca. 1.05g/cm ³
Consumption	1kg will hang approx. 40m of a 13cm (5 inch) deep border.

APPLICATION INSTRUCTIONS

SUBSTRATE PREPARATION

Ensure surfaces are clean and dry and free from loose or flaky material. Gloss or non porous surfaces should be rubbed down to improve adhesion.

APPLICATION METHOD / TOOLS

For borders – cut border to required length. Gently score vinyl wallpaper where border is to be positioned.

If using on pre pasted borders moisten before applying adhesive. Spread adhesive over border ensuring even coverage. Position border and smooth down with a sponge or cloth. Take care to keep the printed side of the border free of adhesive. If contact occurs wipe off excess adhesive with a damp cloth.

For overlap repairs – apply the adhesive to the fixed substrate and press the overlap piece into position. Press firmly into place using a brush and wipe off excess immediately with a damp cloth.

LIMITATIONS

- Use only as directed
- Store in original container.
- Dispose of product and packaging correctly.
- It is users responsibility to determine suitability for use. If in doubt please contact technical services for advice.

VALUE BASE

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

LOCAL RESTRICTIONS

Note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Consult the local Product Data Sheet for the exact product data and uses.

ECOLOGY, HEALTH AND SAFETY

Consult MSDS for full list of hazards.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
